## SENSUAL SHADOWS

On a mystical note, we enter a space with a modern living atmosphere. Bold and raw flirting with the permissible design of the 60s. A dark surface of black faux fur, a fine touch of cashmere and smoky glass hugging the light. With a degree of dimness we deepen the connection.

ELEVATE YOUR FLOORS  
CARPETS

Amazing begins from the floor up. Carpets complete your interior design like shoes complete an outfit. Let them be the game changer in the feel and look of your room. Let your carpets and furniture create a coherent interior. Warm cocooning and luxury hand in hand.

## PURE

**WILDWOOD.** Warm and delicate for bare feet to step on, yet durable and dirt-repellent. The carpet is woven in a thicker yarn with loops that give a nice texture. WILDWOOD has a beautiful, marbled effect and luxurious touch. This woollen carpet is durable and can withstand time while still looking pristine. If you desire high quality and natural materials then go no further.

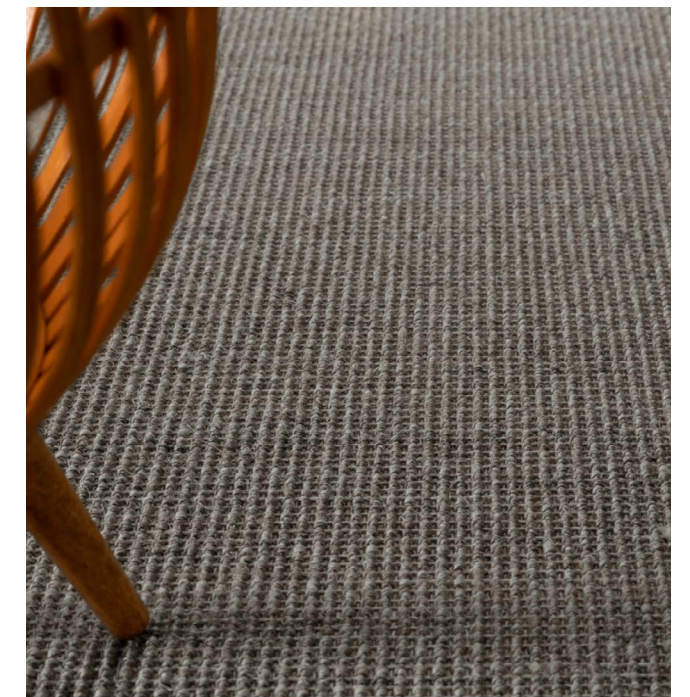

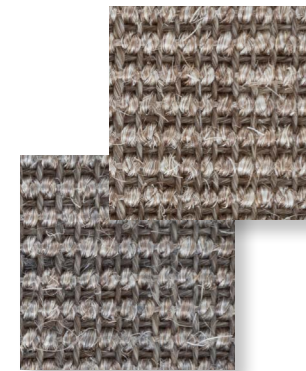

## HIGH STAKES

**BOCA.** When you desire a soft and cosy carpet with high and dense pile, this one will make you happy. This carpet has a raw edge to make it soft and supple without fringing. Take your sofa corner to next level with BOCA under your feet.

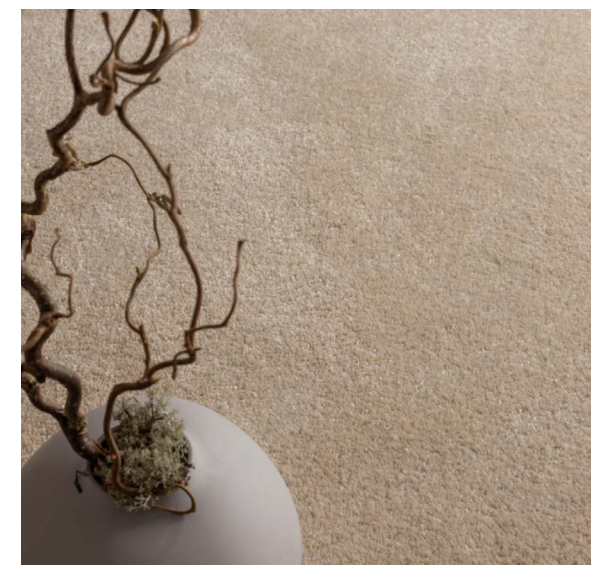

## EARTHBOUND

**SISAL SIERRA.** With natural neutral tones this carpet can be placed in any room. A carpet woven from sisal is easy to care for and long lived. SISAL SIERRA adds natural elegance to your home.

## SHIFTS & SHIMMER

**CLEARWATER.** Give your home a soft touch with a modern velour carpet. The charm of CLEARWATER is how its tone shifts when you walk on it and light that falls on it brings it alive. Place it in your living room or bedroom to add luxury and lustre.

## SOPHISTICATED **DARK**

Alluring ambience. Remarkable marble, shimmering bronze but also darker shades – the raw, melancholic undertones of life.

Statement pieces creating a whole world, impossibly perfect. Round shapes unifying us.

## ARTWOOD CHARITY

Artwood is committed to fighting injustice in the world. Getting involved and helping is important to us. Every year we support:

SWEDISH CHILDHOOD CANCER FOUNDATION | SWEDISH CANCER SOCIETY  
VÄRLDENS BARN | MÉDICINS SANS FRONTIÈRES | RADIOHJÄLPEN

## ENVIRONMENTAL POLICY

All our suppliers certify that child labour does not take place. Checks are made annually by, among others, Fair Working Conditions (FWC), an international association that works to ensure that human rights are respected. Guarantees are given that no employees are below the age of 15, which is the minimum for developing countries under the ILO Convention. Our down and feathers used for cushions and fillings are not pick from living birds. The feathers are treated at high temperature of 110° for at least 30minutes. Veterinary certificates are provided

**TIMBER REGULATION** - Artwood complies with the Timber Regulation which was introduced in 2013 and has been approved in Swedish Forest Agency inspection. The purpose of the Timber Regulation is to tackle the global problem of illegal felling and counteract the trade in illegally harvested timber and wood products in the European Union.

**TEAK** - All our suppliers of furniture made of teak certify that only wood from plantations is used, i.e. FSC certified teak.

**RAILWAY/RECYCLED WOOD** - All our suppliers of furniture made from recycled wood certify that the wood has undergone a process in which the material has been cleaned and is free of harmful substances. Regular tests are carried out to ensure this.

**REACH** - We apply the Swedish Chemicals Agency's REACH legislation. This legislation regulates the placing of chemicals on the market. We are under a responsibility to produce data on chemical substances in our products and make a risk assessment to ensure that these do not harm human health or the environment.

We reserve the right to make changes to stated data and information. Printing errors reserved.
