

EICHHOLTZ

108283 WALL CABINET PULITZER SINGLE

ASSEMBLY INSTRUCTION

Step 1: Screw the foot (A) to the threaded end of the pole (B).

Step 2: Slide one wall-bracket (C) on the pole (B).

Step 3: Slide the 6 shelf-supports (D), one-by-one, on the pole (B).

Step 4: Slide the second wall-bracket (C) on the pole (B).

Step 5: Screw the finial **(E)** on top of the pole **(B)**.

Step 6: Fix the lower wall-bracket **(C)** to the wall.

Use screws and plugs suitable for your wall.

Step 7: Fix the upper wall-bracket **(C)** to the wall.

Use screws and plugs suitable for your wall.

Step 8: Adjust the shelf-supports **(D)** on the pole **(B)** at the desired heights by tightening the wing-nuts. Ensure that the wing-nuts are fully tightened. Once you have fully tightened each wing-nut, apply some pressure by hand on each of the shelf-supports **(D)** individually, to ensure that it is fully secured.

Step 9: Repeat steps 1 - 8 for the second pole (B).

Step 10 : Ensure that the corresponding shelf-supports **(D)** on both poles **(B)** are at the same height.

Step 11: Place the glass-shelves (F) on the shelf-brackets (D).
