STAY WARM & RELAXED IN A COZY WINTER ESCAPE

It's time to prepare a cozy home interior for the colder months ahead. With their attractive mix of modern and rustic design, chalet interiors make the ultimate warm and comfortable retreat from the frozen world outside. Explore our tips when decorating your mountain cabin.

5 DECORATION TIPS

HOW TO CREATE THE CHALET STYLE

HERE ARE 5 TIPS HOW TO DECORATE YOUR MOUNTAIN CHALET, GIVING IT A WARM, COZY AND LUXURIOUS FEEL. WITH THE RIGHT COMBINATION OF NATURAL MATERIALS, ELEGANT FURNITURE AND THOUGHTFUL DETAILS, YOU CAN TRANSFORM YOUR CHALET INTO A STYLISH AND INVITING RETREAT.

Make the log fire a focal point

The classic chalet style has a fire as its focal point. This aesthetic is based on the idea of being able to gather around it for cosy evenings spent reading or entertaining guests. Make sure your mountain lodge comes complete with appropriate accessories, such as rustic-looking woven baskets for storing firewood and vintage fire tools to keep the fire merrily roaring all night long.

Soften the look with textiles

With textiles, you can easily create that perfect cosy feeling. Think about layering textiles and feel free to mix different textures, for example a plain weave with a knitted textile. A beautiful rug is comfortable to walk on and will also dampen sound for a calmer, more relaxing atmosphere. Be generous with cushions and throws, preferably in nature's own colour scale. Faux fur gives a rustic feeling and luxurious materials such as wool and cashmere warm you with extra comfort.

Consider areas for entertaining

Mountain chalets are designed to be communal and inviting spaces. They're a place to entertain as well as relax, so a large dining table is a must-have feature. This will give you and your guests somewhere to meet and socialize on long, winter nights. Complete the look with comfortable dining chairs, so hours of laughter can follow your shared meals together.

Light up your space

Accessories are vital to create your dream chalet-style interior. Most importantly, you need the right lighting to drive the shadows of winter away. And don't be afraid to be extravagant. A large ceiling chandelier will add a luxurious touch to the space. And, if there is space, strategically placed floor lamps and lanterns can cast light and warmth into every corner.

Invest in luxurious seating

The chalet style is defined by the sense of comfort it creates. A comfortable haven in colder climates, they aren't complete without luxurious sofas that invite you to take a seat and relax in front of a roaring fire. Add armchairs and ottomans to ensure a truly restful and modern chalet interior.

ARTWOOD CHARITY

Artwood is committed to fighting injustice in the world. Getting involved and helping is important to us. Every year we support:

SWEDISH CHILDHOOD CANCER FOUNDATION | SWEDISH CANCER SOCIETY
VÄRLDENS BARN | MÉDICINS SANS FRONTIÈRES | RADIOHJÄLPEN

ENVIRONMENTAL POLICY

All our suppliers certify that child labour does not take place. Checks are made annually by, among others, Fair Working Conditions (FWC), an international association that works to ensure that human rights are respected. Guarantees are given that no employees are below the age of 15, which is the minimum for developing countries under the ILO Convention. Our down and feathers used for cushions and fillings are not pick from living birds. The feathers are treated at high temperature of 110° for at least 30minutes. Veterinary certificates are provided

TIMBER REGULATION - Artwood complies with the Timber Regulation which was introduced in 2013 and has been approved in Swedish Forest Agency inspection. The purpose of the Timber Regulation is to tackle the global problem of illegal felling and counteract the trade in illegally harvested timber and wood products in the European Union.

TEAK - All our suppliers of furniture made of teak certify that only wood from plantations is used, i.e. FSC certified teak.

RECYCLED WOOD - All our suppliers of furniture made from recycled wood certify that the wood has undergone a process in which the material has been cleaned and is free of harmful substances.

Regular tests are carried out to ensure this.

REACH - We apply the Swedish Chemicals Agency's REACH legislation. This legislation regulates the placing of chemicals on the market. We are under a responsibility to produce data on chemical substances in our products and make a risk assessment to ensure that these do not harm human health or the environment.
