SPRING / SUMMER 2023

# PAINT A PICTURE OF SUMMER

A sense of freedom is felt when summer is upon us.  
Love, understanding and positivity. Summer is a feeling - envision it.

The sweeping motion of the wind blowing across fields and their soft  
silhouettes against the summer night are interpreted into this catalogue.  
Classic and rustic, depicted by the texture of wood and the pattern in the  
grain. The items you choose are a palette to paint the perfect  
backdrop to your picture of summer.

**TIMBER REGULATION** - Artwood complies with the Timber Regulation which was introduced in 2013 and has been approved in Swedish Forest Agency inspection. The purpose of the Timber Regulation is to tackle the global problem of illegal felling and counteract the trade in illegally harvested timber and wood products in the European Union.

**TEAK** - All our suppliers of furniture made of teak certify that only wood from plantations is used, i.e. FSC certified teak.

**RECYCLED WOOD** - All our suppliers of furniture made from recycled wood certify that the wood has undergone a process in which the material has been cleaned and is free of harmful substances. Regular tests are carried out to ensure this.

**REACH** - We apply the Swedish Chemicals Agency’s REACH legislation. This legislation regulates the placing of chemicals on the market. We are under a responsibility to produce data on chemical substances in our products and make a risk assessment to ensure that these do not harm human health or the environment.
